**TECHNICAL SPECIFICATION OF SCANNER**

**The Book Scanner should have:**

- a) Built in V Shape Cradle to scan tight bound books / Registers etc. with V shape Glass Plate
- b) Flat A2 Platen to scan Large Books which open 180 degree, Manuscripts, Magazines, Tabloids and Newspapers, large Maps, and spiral bound books / files without unbinding.

Both the cradles should have Adjustable facility to adjust the bulge in spine of the old hard bound books.

The Scanner should meet the minimum technical specifications as given below:-

**Minimum Technical Specifications**

- 1. Book Cradle Flat and V-mode (Automatic selection while scanning)

**Document**

- 1. Size: Scan Area A2 or more
- 2. Document thickness : minimum 120 mm (without glass plate)
- 3. Auto Focus : Autofocus Laser controlled (Auto focus range minimum 120mm)

**Output**

- 1. Optical resolution 600 x 400 dpi
- 2. Scan Resolution 600 x 600 dpi.
- 3. Pixel dimension : 9.3 x 9.3  $\mu$ m
- 4. Colour depth : 36 bit colour, 12 bit gray scale
- 5. Scan output : 24 bit color, 8 bit grayscale, bitonal, enhanced halftone
- 6. File formats : PDF, PDF/A, JPEG, PNM, TIFF uncompressed, TIFF G4 (CCITT), Multipage PDF, PDF/A  
TIFF

**Technical Specs**

- 1. Camera capture Technology: Linear CCD camera 22500 pixel and above (encapsulated and dust-proof) True Line Camera and not Digital Camera/s mounted on a stand in V shape.
- 2. USB ports : 2 Nos. of USB 2.0 / USB 3.0 ports to scan and save using touch panel
- 3. Gigabit Ethernet Connectivity RJ45 for easy connectivity in LAN or PC
- 4. Lamps White LED lamps should be Cold lights, placed on Top side for better illumination and should be certified IEC 60825-1 Class 1. Ultra Violet free and infrared radiation free with long life of > =50000 hours.

*WRS*

5. Light distribution Uniform on entire A2 size
6. Folder mode two independent focus levels for Left and Right Side of File Folder to scan without removing loose pages from Folder, in flat cradle mode.
7. Control Panel : Touch Control Panel with Color display
8. Preview monitor: 22" inch or more, flat monitor for preview of documents
7. Lamps & lights Built in lamps/light for illumination should switch ON only during an actual scan

#### Other Specs

1. Glass Plate Option: Glass Plate in V Shape.
2. Profile detection: Laser assisted auto selection of the document in V shape or Flat or Folder Mode for paper detection and Height for auto focus.
3. Book fold correction: Laser controlled
4. Plug and play / Printing: Scanner should be plug & play for Network and print directly to a network printer.
5. ECO standard should be Indian Standards Compliant.
6. Software Bundled Licensed software Batch Scanning Software BSW with PDF option and Production Scanning Software with Multi-Masking & PDF/A.

Warranty - 3 years

*WRS*

### TERM & CONDITIONS

1. GSTIN with GST clearance, PAN etc.
2. Authorisation Certificate from OEM (Original Equipment Manufacture)
3. EMD (Rs. 50,000/-)
4. Payment terms :
  - (i) 90% on delivery, verification, installation & successful working
  - (ii) 10% after submission Bank Guarantee amount & 10% of total cost of equipment valid for eiture warranty period.

#### Delivery period :

The equipment must be delivered within 8 weeks of placement of order. In case, the delivery is not made within stipulated time, Odia Bhasa Pratisthan reserves the right to cancel the order.

**Colour Laser Printer or equivalent**

<b>Technical Specifications</b>	
Cartridge Technology	Composite
Print Speed (A4)- Mono	25 PPM or higher
Print Speed (A4)- Color	25 PPM or higher
Network Capability	Yes
Wireless	Yes
Simplex	Yes
Duplex	Yes
Resolution	Up to 1200x1200 dpi
Paper Size	A4, A3, Legal
Paper Tray Capacity	250 Sheets
Number Of Paper Trays	2 trays (one bypass/manual tray additional)
Memory	1 GB
Print Language	Postscript Level 3 emulation
Warranty	1 Year(s)

**TERM & CONDITIONS**

1. GSTIN with GST clearance, PAN etc.
2. Authorisation Certificate from OEM (Original Equipment Manufacture)
3. Payment should be given after verification, installation & successful working

**Delivery period :**

The equipment must be delivered within 2 weeks of placement of order. In case, the delivery is not made within stipulated time, Odia Bhasa Pratisthan reserves the right to cancel the order.
