Hence, these messages can be disseminated throughout the performance provided it is in song form. If it is in dance form, the message can be disseminated during the intervals.

3.11 Monitoring and Supervision :

Monitoring & supervision is the most vital part of the Programme. Without proper monitoring and supervision, there will be dilution and the very purpose will be defeated. The ZKSS & BKSS will devise their own mechanism for the same. ZKSS will also devise a mechanism to study the effectiveness of the communication of Government Schemes by these traditional troupes and advise BKSS to take remedial steps.

3.12 Use of IT:

No additional staff will be provided at present. The work will be undertaken with the existing man-power available at District / Block level. Use of IT will be done to facilitate storage of data about troupes at Block and District Level.
